

## September 30th, 2022

- We need to review the club's constitution.
- We discussed purchasing a plaque and some club swag.
  - Some of the listed swag items include T-Shirts, Pencils, USB Drives, Pins, Hats, Lanyards, etc.
- A vote on whether or not we will host a game night was met with an overwhelming response in the affirmative.
- We then decided that the game night will be held on October 21st.
- The current planned time duration of the event is from 5:00 - 10:00pm. However, I do not recall if this is 100% accurate or not.
- We had discussed that SAGA will provide their games, and the MCS Club will provide the food.
- We will need to find a way to estimate how many people will be participating.
- There was a discussion regarding whether or not we should have a pin design contest.
- We had also discussed the possibilities of posting the discord link on the website and using it within the email signature of the club email.
