

## Meeting notes for Friday, the 22<sup>nd</sup> of September

- We decided to make an effort to include food some upcoming meetings
- Work on updating club recognition for next Friday and update the advisor to Steven J. Rosenberg
- Future plans
  - Club talk hosted by Josh on LaTeX in October
  - Club talk hosted by retired professor Don Rau about polyhedral
  - Potentially having an actuary themed event and collaborating with the Business Club in December
  - Collaborate with Dr. Rosenberg to set up the programming competition
  - Potentially having a Food and Gaming event with SAGA (December)
    - Mika agreed to attend the upcoming SAGA Meeting to discuss this
  - Having a LAN party at the end of the semester
  - Selling Pies on 3/14
  - Hosting a programming interview/job searching informance
